Sentence of Consecration St Johns Church Bristol

Whereas the Rector Church Wardens and Vestrymen of St Johns Church in the Village of Bristol, in the County of Elkhart and State of Indiana, have by an Instrument this day presented to me, appropriated and devoted a house for public worship, erected by them in the said Village of Bristol, to the worship and service of Almight God, the Father and the Son and the Holy Ghost, according to the principles of the Protestant Episcopal Church in the United States of America, in its ministry, doctrines, liturgy, rites and usages, and by a Congregation in communion with said Church and in union with the Convention thereof in the Diocese of Indiana;

And Whereas the said Rector, Church Wardens and Vestrymen have requested me to take the said house of worship under my spiritual jurisdiction, as the Bishop of said Diocese, and that by my successors in Office, and to consecrate it by the name of St Johns Church, and thereby seperate it from all unhallowed, worldly and common uses, and solemnly dedicate it to the holy purposes above mentioned:

Now therefore, know all men by these presents, that I, George Upfold, DD, by Divine Permission Bishop of the Diocese of Indiana under the protection of Almighty God, have on this eighth day of May in the Year of our Lord one thousand eight hundred and fifty one; taken the above mentioned house of worship under my spiritual jurisdiction as Bishop aforesaid, and that by my successors in Office; and in the presence of divers of the Clergy and a public Congregation thereto assembled, have according to the form prescribed by the Protestant Episcopal Church in the United States of America, hereby consecrated the same by the name of St Johns Church, in the Village of Bristol and County and State aforesaid.

And I do hereby pronounce and declare, the said St Johns Church is consecrated accordingly, and thereby seperated henceforth from all unhallowed, worldly and common uses, and dedicated to the worship and service of Almight God, the Father and the Son and the Holy Ghost, for reading and preaching His holy word, for celebrating His holy Sacraments, for offering His glorious Majesty the Sacrifice of Prayer, Praise, and Thanksgiving, for blessing His people in His Name, and for the performance of all other Offices, agreeably to the terms of the Covenant of grace and Salvation in our Lord and Saviour Jesus Christ, and according to the principles of Protestant Episcopal Church in the United States of America, in its ministry, doctrines, liturgy, rites, and usages.

In Testimony whereof I have hereunto affixed my Seal and Signature at Bristol, the day and year above written, and in the Second Year of my Consecration

HISTORY OF St John's Parish, Bristol, Indiana

St. John's Parish Bristol was organized the 25-th of April 1843 by the Rev. Solon W. Manney, Albert Rous & Henry P. Hanford - wardens, being at that time the only male communicants of the Church, in the community. Four village lots, were deeded by Saml. P. Judson Esq. to the Wardens & Vestry, for the perpetual use of the Episcopal Church Edifice. In July 1843 the Rev. Richard S. Adams, Missionary at Mishawaka, began regular services at this place, visiting the Parish every third Sunday. On the 29th of December A. D. 1843, The Rt. Rev. Jackson Kemper D. D. Missionary Bishop of the North West & Bishop in charge of the diocese of Indiana, laid the corner Stone of the present edifice,* & set apart the plot of ground before mentioned, as a perpetual Burying place for the Baptized of St. John's Chh. Bristol. From 1843 on to 1847 nothing had been effected towards erecting an edifice - save that the foundation was laid - the Parish being too poor to undertake anything permanent towards the much desired object. This being the state of affairs, everything seemed hopeless & the only resort now was to appeal to the liberality of Churchmen at large. But who was to undertake the arduous task of soliciting the aid required? This was a question which few or none, were ready to answer. The whole matter being in this state of doubt & suspense, Mrs. Anne Jeanette Judson a faithful communicant of the Church & wife of Saml. P. Judson Esq. conceived the very laudable design of undertaking in person to solicit & obtain the aid required to erect the church. It was a work new to her experience, but, as results will show - not beyond her large & generous capacities.

*This account was compiled from data furnished by Mrs. Judson by the Present Rector Rev. W. H. Slow Jan. A. D. 1869

The interior of the edifice was re-decorated, fully paid for by financial aid from the Guild; the grounds were improved, largely by voluntary work of members, as was also the parish house. The church school was very active, boasting 21 members, including 4 teachers. Largely through donations of janitorial services of members, expenses of the church were cut to a minimum and the financial affairs of the church were much improved. Activity of the Guild increased and in addition to this body, the Girls' Friendly Society was organized with 9 members.

my first thought was to reopen our
Sunday School which had been closed
these past 20 years; today we have 18
members. My next step was to reorganize

our Parish and obtain the services of a
resident Rector, with the help of the P.E.C.
Walter C. Klein Bishop of our Diocese
were able to locate a young Priest who
was interested in our Parish.

Our next task was to refurbish our
old Rectory which has stood empty the
past 50 years, with the help of friends
who donated money and labor we
were able to accomplish this task

Our new Rector and family have
moved into the residence and on this
day June 26, 1964 at the institution
Service I will turn over all the Church
property in my possession to the Rev.
Donald L. Dunn, our new Rector
in charge.
